Parent Code of Conduct

By reading and signing this Parent Code of Conduct – I am pledging to provide positive support and encouragement for my soccer player, the teams, coaches and officials involved in the YMCA program.

1. I understand that my child is the 'player' in this sport and I am not the one playing soccer.
2. **During ANY game - I WILL NOT ADDRESS THE REFEREES.** The only exception is in an emergency or safety situation. If I have an issue – I will contact the Director and/or Field Representative and put my complaint in writing.
3. I understand that I am not the coach – and thus, I will not coach from the side lines. If I do, I may confuse, distract or frustrate the players as well as contradict a coach's instructions.
4. I will exhibit good sportsmanship by demonstrating positive support for all players, coaches and officials. By leading with good example – I can expect the same from others.
5. I will treat all others involved with respect (coaches, players, officials, parents, etc). This includes not using profanity while on YMCA property.
6. During games, I will not walk onto the field and I will stay away from the area behind the goal and the player/coach side line (so as not to distract the players or the game).
7. I will encourage fair play in congruence with the 'spirit of the game': to promote the **safety, equality, fair play and enjoyment** of the game. The Spirit of the game rests on always acknowledging that soccer is, after all, a game; it is only a game, and life goes on after it is over.
8. I will de-emphasize winning and focus on my child's development.
9. I will applaud good plays by members of my team and members of the opposing team.
10. I will not bring alcohol or illegal drugs to any soccer venue.
11. I will refrain from verbal abuse, intimidation, or physical altercations at any soccer event.
12. I will realize my actions are seen and heard by my child as well as other players on the field and can be an embarrassment to them and affect my child's overall enjoyment of the game.
13. I understand that my child is the 'player' in this sport and I am not the one playing soccer.
